ABOUT THE ARTIST

Cynthia Ludlam is a Vermont sculptor and painter, and an Assistant Professor of Ceramics at Landmark College. She also serves on the board of trustees at the Brattleboro Museum and Art Center. She holds a BFA from The School of the Art Institute of Chicago, a MFA from The College of Fine Art at Boston University. She is a former field associate in the Art and Education Graduate School Department at Boston University and has supervised Art Education students at Lesley University. She has also taught at Montserrat College of Art, Endicott University, and Holyoke Community College. She has participated in ceramic art fairs and has exhibited her work in galleries and museums.
